Notice for selection of farmers of Punjab for setting up of Grid connected solar PV
power plants under Component-A of PM-KUSUM Scheme.

RfS No. PEDA/KUSUM-A/2023-24/20

Punjab Energy Development Agency (PEDA) invites applications from the interested farmers, group of farmers, Panchayats, Co-operatives, Farmer Producer Organizations and Water user associations of the State for setting up of solar PV power plants of individual capacity 1, 1.5 or 2 MW in the State of Punjab under Component-A of PM-KUSUM Scheme for sale of power to Punjab State Power Corporation Limited (PSPCL).

- The total aggregate capacity of solar power plants to be set up in the State is 220 MW.
- The procedure and other terms and conditions for allotment of solar power plants are given in the RfS document. The application along with requisite fee and documents is to be submitted online on the <https://eproc.punjab.gov.in>
- The RfS document along with application form can be downloaded from <https://eproc.punjab.gov.in>
- The applicants should read the terms and conditions of the scheme document, Implementation Agreement (IA) & Power Purchase Agreement (PPA) carefully before submission of applications.
- The solar power generated by the plant shall be purchased by PSPCL at the L-1 tariff discovered through competitive bidding process. PSPCL will file a petition for approval of tariff in PSERC. In case the total aggregate capacity of eligible applications received for a particular 66Kv sub-station is more than the capacity notified for connectivity at that sub-station, then e-reverse competitive bidding (discount on the approval rates) shall be carried out for selection of Solar Power Generators (SPGs) and allocation will be based on the lowest tariff offered in ascending order until the target capacity is achieved.
- PEDA will issue Letters of Award (LOA) & sign Implementation Agreement (IA) with the successful applicants.
- The successful applicants shall have to sign Power Purchase Agreement (PPA) with Punjab State Power Corporation Limited (PSPCL) for sale of power at the L-1 tariff discovered through competitive bidding process for the plant as the case may be for a period of 25 years from the commercial operation date of the plant. (L1 will be on Punjab basis as a whole)
