NOTICE INVITING TENDER (NIT)

SJVN Green Energy Limited

(A Wholly Owned Subsidiary of SJVN Limited)

NOTICE INVITING TENDER

Bid Document No: **SGEL/CHQ/Contracts/EPC-PSPCL/2025**

November, 2025

SUBJECT: EPC Package with Land for Development of Grid-Connected Solar Photovoltaic Power Projects up to a Total Capacity of 300 MW (Comprising 200 MW under PSPCL ET-4 and 100 MW under PSPCL ET-2) Anywhere in Punjab, Including Comprehensive Operation & Maintenance for Three (3) Years

- 1.1** SJVN Green Energy Limited (“SGEL”), a wholly-owned subsidiary of SJVN Limited, hereby invites online bids under Domestic Competitive Bidding through an open tender process, adopting a Single-Stage, Two-Envelope system (comprising Envelope-I: Techno-Commercial Bid and Envelope-II: Price Bid), followed by an e-Reverse Auction, for the “*EPC Package with Land for Development of Grid-Connected Solar Photovoltaic Power Projects up to a Total Capacity of 300 MW (Comprising 200 MW under PSPCL ET-4 and 100 MW under PSPCL ET-2) Anywhere in Punjab, Including Comprehensive Operation & Maintenance for Three (3) Years*”

SGEL has been allocated a total capacity of 300 MW through Tariff Based Competitive Bidding (TBCB), comprising 200 MW under RfS No. 34/PSPCL/IPC/SOLAR/1000MW/2022/ET-4 dated 19.04.2022 and 100 MW under RfS No. 28/PSPCL/IPC/SOLAR/250MW/2021/ET-2 dated 18.05.2021, both issued by Punjab State Power Corporation Limited (PSPCL).

Accordingly, to develop the total 300 MW capacity, SGEL intends to set up the Solar Power Projects within the State of Punjab in the following capacity configurations:

Sl. No.	Project No.	Capacity	Reference RfS Document	Scope of Solar PV Modules
(i)	Project-1	70 MW	34/PSPCL/IPC/SOLAR/1000MW/2022/ET-4	Procurement and supply of Modules are in scope of contractor.
(ii)	Project-2	130 MW		Modules shall be issued by SGEL to contractor free of cost.
(iii)	Project-3	100 MW	28/PSPCL/IPC/SOLAR/250MW/2021/ET-2	Modules shall be issued by SGEL to contractor free of cost.

Bidders may submit their bids for any single project, any two projects, or all three projects (up to a cumulative capacity of 300 MW_{ac})

For **Project-1**, the scope of the Contractor shall comprise execution of the complete EPC works, including procurement of land, supply of Solar PV Modules, detailed design and engineering, procurement, construction, testing and commissioning of the Solar Power Plant together with development of the associated Power Evacuation System, obtaining grid connectivity in the name of SGEL, and undertaking comprehensive Operation and Maintenance (O&M) of the entire Solar Power Plant and the associated Power Evacuation System for a period of three (3) years from the date of Commercial Operation Declaration (COD) of entire plant.

The Solar Modules to be used for this project shall be sourced only from the Model and Manufacturers included in the latest “Approved List of Models and Manufacturers (ALMM)” issued by MNRE.

For Project-2 and Project-3, the Solar Photovoltaic (PV) Modules shall be issued and handed over to the Contractor, free of cost, at the designated storage location(s) specified in the Technical Specification Document. Upon such issuance and handover at the designated storage location(s), the Contractor shall assume full responsibility and liability for the safe custody, handling, loading, transportation from the designated storage location(s) to the respective Project site(s), unloading, storage, insurance, protection, installation, and integration of the said Modules into the Works.

The Contractor’s scope shall accordingly comprise execution of the EPC Works including procurement of land, detailed design and engineering, procurement (excluding the supply of Solar PV Modules up to the designated location), construction, testing and commissioning of the Solar Power Plant, development of the associated Power Evacuation System, obtaining grid connectivity in the name of SGEL, and comprehensive Operation and Maintenance (O&M) of the entire Solar Power Plant and the associated Power Evacuation System for a period of three (3) years from the date of Commercial Operation Declaration (COD) of entire Plant.

Each Project may be implemented either as a single Project Unit or divided into two Project Units, at the discretion of the Bidder, who shall specify the proposed configuration in its Bid. Where a Project is proposed to be divided into two Project Units, such Units shall be of equal capacity. The capacity configuration once proposed in the Bid and accepted through award of the Contract shall be final, conclusive, and binding on the Contractor, and no subsequent modification, reallocation, or alteration of such configuration shall be permitted under the Contract.

1.2 BRIEF DETAIL/KEY DATES

Sl. No.	Description of Item	Particulars
1.	Brief Scope of Work	EPC Package with Land for Development of Grid-Connected Solar Photovoltaic Power Projects up to a Total Capacity of 300 MW (Comprising 200

		MW under PSPCL ET-4 and 100 MW under PSPCL ET-2) Anywhere in Punjab, Including Comprehensive Operation & Maintenance for Three (3) Years								
2.	Sale of Power & PPA	<p>For 200 MW capacity, SGEL has entered into Power Purchase Agreement with PSPCL on 14.08.2023 in response to “Request for Selection (RfS) Issued Vide RfS No.: 34/PSPCL/IPC/SOLAR/1000MW/2022/ET-4 dated 19.04.2022; and</p> <p>For 100 MW capacity, SGEL has entered into Power Purchase Agreement with PSPCL on 23.06.2022 in response to “Request for Selection (RfS) Issued Vide RfS No.: 28/PSPCL/IPC/SOLAR/250MW/2021/ET-2 dated 18.05.2021</p>								
3.	(a) Duration of Engineering, Procurement and Construction (EPC).	(a) As per clause 3.17 of bid document.								
	(b) Duration of Comprehensive Operation & Maintenance.	(b) Three (03) years from the date of Commercial Operation Declaration (COD).								
4.	Cost of bid document (non-refundable)	<p>Rs. 5,000.00 (Rs. Five Thousand only) +18% GST.</p> <p>Bidders can pay for the cost of documents in the form of electronic transfer/ NEFT Payments in the following account details of SGEL:</p> <table border="1"> <tr> <td>Name of Bank</td> <td>State Bank of India</td> </tr> <tr> <td>Account No.</td> <td>40946180057</td> </tr> <tr> <td>IFSC</td> <td>SBIN0003219</td> </tr> <tr> <td>Address</td> <td>M-2, South Extension, Part -II New Delhi, Delhi 110049</td> </tr> </table> <p>Access for downloading the Bid Document:</p> <p>After submission of cost of Bid Document, the bidder has to submit its Request for providing access to download the Bid Document’ in the format provided at Annexure-1 to the NIT to SGEL Email ID-contracts.sgcl@sjvn.nic.in in working day (before the last date of downloading of bid documents)</p>	Name of Bank	State Bank of India	Account No.	40946180057	IFSC	SBIN0003219	Address	M-2, South Extension, Part -II New Delhi, Delhi 110049

11.	Date & time of opening of Techno-Commercial Bid	16.12.2025 & Time :15:00 Hrs
12.	Date & time of opening of Price Bid	Will be notified to the techno commercially qualified bidders.
13.	Last date of submission of mandatory original documents in physical form (as listed in Clause 2.15.5 of ITB)	26.12.2025 & Time :18:00 Hrs.
14.	Date and Time for Start of e-Reverse Auction (if conducted)	Will be informed to the qualified Bidders
15.	Address for submission of mandatory original documents in physical form (as listed in Clause 2.15.5 of ITB)	Dy General Manager (ContractS) SJVN Green Energy Limited,

		Corporate Headquarter, Shakti Sadan, Shanan, P.O. Malyana, Shimla –171006 (H.P.)
16.	Currency of bid	Indian Rupees (INR)
17.	Bidder's Eligibility Criteria	Bidders intending to participate in this bid shall fulfill the Eligibility Criteria as per Clause 1.3 of the NIT
18.	Period of bid Validity	180 days from the last date of submission of bids prescribed by SGEL and any extension thereof.
19.	Address for submission of queries regarding NIT, if any	Dy General Manager (Contracts), SJVN Green Energy Limited, Corporate Headquarter, Shakti Sadan, Shanan, P.O. Malyana, Shimla –171006 (H.P.) Email ID- contracts.sgel@sjvn.nic.in
20.	Pass Phrase for opening of Bids	The Pass phrases for opening of bids shall be submitted on e-mail id contracts.sgel@sjvn.nic.in before time and date of Bid Opening.

1.3 BIDDER'S ELIGIBILITY CRITERIA

The Minimum Qualifying Requirements (MQR) are as under: -

1.3.1 TECHNICAL CRITERIA

The Bidder should meet the qualifying requirements stipulated hereunder during last ten (10) years ending last day of month previous to one in which NIT is issued.

- 1.3.1.1. The Bidder should have designed, supplied, erected/supervised erection and commissioned EPC of Solar Photo Voltaic (SPV) based grid connected power plant(s) of cumulative installed capacity of 30 MWp or higher capacity out of which at least one plant must be of 10 MWp or higher capacity.

The reference plant of 10 MWp or higher capacity must be in successful operation for at least three (3) months prior to the last day of month previous to one in which NIT is issued.

OR

- 1.3.1.2 The Bidder should be a **DEVELOPER of Solar Photo Voltaic (SPV) based grid** connected power plant(s) of cumulative installed capacity of 30 MWp or higher capacity out of which at least one plant must be of 10 MWp or higher capacity.

The reference plant of 10 MWp or higher capacity must be in successful operation for at least three (3) months prior to the last day of month previous to one in which NIT is issued.

OR

1.3.1.3 (a) The Bidder either as developer or as EPC Contractor should have executed an industrial project in the area of Power/ Steel/ Oil and Gas/ Petro-chemical/ Fertilizer/Cement/Coal mining including coal handling plant and/ or any other process industry, or Infrastructure Development project, **of a value not less than that specified below**, in a single project or single work and the same should be in successful operation for at least six (6) months prior to the last day of month previous to one in which NIT is issued.

Sl. No.	Applicable Project Combination	Minimum Executed Project Value
(i)	Project-1 only	₹119.45 Cr
(ii)	Project-2 only	₹105.61 Cr
(iii)	Project-3 only	₹85.04 Cr
(iv)	Project-1 and Project-2 together	₹225.06 Cr
(v)	Project-1 and Project-3 together	₹204.49 Cr
(vi)	Project-2 and Project-3 together	₹190.65 Cr
(vii)	All three Projects together	₹310.10 Cr

AND

(b) The Bidder should have executed at least one (1) Electrical Sub-station of 33 kV or above voltage level, consisting of equipment such as 33kV or above voltage level circuit breakers and Power Transformer, either as developer or as EPC Contractor which should be in successful operation for at least six (6) months prior to the last day of month previous to one in which NIT is issued.

The works referred at clause 1.3.1.3 (a) & 1.3.1.3 (b) can be in same or different projects.

OR

1.3.1.4. The bidder should be an Indian company registered in India and should be either Holding Company or Subsidiary company of a firm meeting the requirement(s) of Clause 1.3.1.1 or 1.3.1.2 or 1.3.1.3 above.

In such a case, Bidder shall furnish an Undertaking jointly executed by the firm qualified as per clause 1.3.1.1 or 1.3.1.2 or 1.3.1.3 and the Bidder along with its bid for complete performance of the contract jointly or severally as per format enclosed in the bid document failing which the Bidder's bid is liable to be rejected.

Notes for Clause 1.3.1

- For clause 1.3.1, the works (either as EPC or Developer) executed in India only shall be considered for qualification.
- The reference SPV based grid-connected power plant of 10 MW_P or above capacity should be at a single location developed by Bidder for itself or any other client.
- SPV based Ground mounted/Floating solar power projects, which are grid connected, shall be considered eligible for QR purposes.

- d. For clause 1.3.1.1 & 1.3.1.3, Bidder shall submit LOA, certificate of successful completion and operation from the Owner. However, if bidder in clause 1.3.1.3 is a developer, certificate of successful commissioning of the project issued from Concerned Agency and documents for successful operation from intermediary procurer/ procurer/Discom/ Electricity Board etc. shall be submitted.
- e. For Clause 1.3.1.3, bidder shall submit documentary evidence for the value of the project certified by a Chartered Accountant.
- f. Direct/Indirect Order

The Bidder shall also be considered qualified, in case the award for executing the reference work has been received by the Bidder either directly from the owner of the plant or any other intermediary organization. In such a case, a certificate from such owner of plant or any other intermediary organization shall be required to be furnished by the Bidder along with its Techno-Commercial bid in support of Bidder's claim of meeting the qualification requirement as per clause 1.3.1.1 and 1.3.1.3 above. Bidder shall also submit a certificate of successful completion and operation from the Owner.

- g. For Clause 1.3.1.2, Bidder shall submit certificate of commissioning of the project from Government Renewable Nodal Agency/ Government Enterprise/Discom / Electricity Board /Concerned agency and documents for successful operation from intermediary procurer/ procurer/ Discom / Electricity Board etc. shall be submitted.
- h. Developer means an entity who has either executed or got executed the work/ project as owner of projects.
- i. The execution of industrial or infrastructure project as EPC Contractor under Clause No. 1.3.1.3 means, such EPC Contractor is responsible for all the activities i.e., Design/Engineering, Procurement, Construction (with/without civil works) and Commissioning of a project/work.
- j. The portion of work related to power transformer such as supply and or installation mentioned at cl. no. 1.3.1.3 (b) can either be done by EPC contractor by themselves or by the owner.
- k. **For Project-1, or in cases where the Bidder has participated for more than one project including Project-1**, the term EPC, as referred under Clause 1.3.1.1, refers to works related to minimum four of the following five areas in a Solar PV Plant: -
- i. Supply of PV Modules (**Compulsory**)
 - ii. Erection of PV Modules
 - iii. Civil works including Module Mounting Structures
 - iv. Inverters (Power Conditioning Units) and/or Inverter Transformers
 - v. Cables and Cabling Works

For either Project-2, or Project-3, or both Project-2 and Project-3, the term EPC, as referred under Clause 1.3.1.1, refers to works related to minimum three of the following four areas in a Solar PV Plant:-

- i. Erection of PV Modules

- ii. Civil works including Module Mounting Structures
- iii. Inverters (Power Conditioning Units) and/or Inverter Transformers
- iv. Cables and Cabling Works.

1.3.2 FINANCIAL CRITERIA

- i) The Bidder should have a minimum Annual Average Turnover for the last three (03) Financial Years, ending on 31st March, 2025, as specified below:

Sl. No.	Applicable Project Combination	Minimum Annual Average Turnover
(a)	Project-1 only	₹119.45 Cr
(b)	Project-2 only	₹105.61 Cr
(c)	Project-3 only	₹85.04 Cr
(d)	Project-1 and Project-2 together	₹225.06 Cr
(e)	Project-1 and Project-3 together	₹204.49 Cr
(f)	Project-2 and Project-3 together	₹190.65 Cr
(g)	All three Projects together	₹310.10 Cr

- In case where audited results for the immediately preceding Financial Year to the Bid submission date are not available, the financial results certified by a practicing Chartered Accountant shall be accepted.
- ii) The Net Worth must be positive during immediately preceding Financial Year and should also be positive in two Financial Years out of three preceding Financial Years. Computation of Net Worth shall be based on unconsolidated audited Annual Accounts.
- iii) Following evidence/proof is to be submitted by the Bidder in support of fulfilment of “**Financial Criteria**”:
- Annual report, Audited financial statements.
 - Besides Annual report/Audited financial statements, the bidders are required to submit Statutory Auditor/CA Certificate in support of Net worth, turnover etc.
- Such certificate(s) should contain Unique Document Identification Number (UDIN), duly generated by Statutory Auditor/practicing Chartered Accountant.
- iv) **Note for Clause No 1.3.2: -**
- a) The Net worth shall be submitted in terms of definition under sub section 2 (57) of the Companies Act 2013 as amended from time to time, duly certified by Statutory Auditor/a practicing Chartered Accountant.
 - b) Other income shall not be considered for arriving at annual turnover.
 - c) “Holding Company” shall have the meaning ascribed to them as per Companies Act of India.

- d) For Annual Turnover indicated in foreign currency, the exchange rate as on last date of the closing of each Financial Year will be considered. The rate of SBI Bill selling rate on closing basis will be considered for evaluation of Annual Turnover.
- e) For the purposes of meeting financial requirements, only unconsolidated audited annual accounts shall be used. However, audited consolidated annual accounts of the Bidder may be used for the purpose of financial requirements provided the Bidder has at least twenty six percent (26%) equity in each company whose accounts are merged in the audited consolidated accounts.
- f) In case a Bidder does not satisfy the annual turnover criteria, stipulated above on its own, its Holding Company would be required to meet the stipulated turnover requirements as above, provided that the Net Worth of such Holding Company as on the last day of the preceding financial year is at least equal to or more than the paid- up share capital of the Holding Company. In such an event, the Bidder would be required to furnish a letter of Undertaking from the Holding Company along with its Bid as per the format enclosed in the bid document, supported by the Holding Company's Resolution pledging unconditional and irrevocable financial support for the execution of the Contract by the Bidder in case of award.

1.3.3 Bid submitted in JV/Consortium

A Bidding JV/Consortium ("JV") shall also be allowed subject to the compliance of following:

- (a) Maximum of two (2) partners shall be allowed in the JV/Consortium, including the Lead Partner.
- (b) Lead partner must have more than 50% participation, and the other partner must have at least 20%.
- (c) Each partner must be a company registered in India.
- (d) The JV/Consortium shall be allowed under clause 1.3.1.1 and 1.3.1.2 only, and may fulfill the technical requirements individually or jointly.
- (e) Each partner shall individually meet the average annual turnover requirement specified under Clause 1.3.2(i), in proportion to their respective participation in the JV/Consortium. However, note (f) under notes for clause 1.3.2 shall not be applicable.
- (f) Each partner shall have a positive net worth as per Clause 1.3.2(ii).

- 1.4** Bidders who have been banned/ de-listed/ black listed/ debarred from business by any PSU/any Government Department/Ministry during last 03 (three) years shall be ineligible to bid. Self-declaration in this regard is to be submitted as per **Attachment-5 of Section-V: BRS & Annexures**.

1.5 SCOPE OF WORK

The Scope of Work under the Contract shall comprise the end-to-end delivery of the commissioned Solar PV Power Plant(s) to SJVN Green Energy Limited ("SGEL") with the capacity as specified in the *Technical Specifications Document* and as awarded to the Contractor under the Contract. The obligations of the Contractor shall include, but shall not be

limited to, procuring and arranging land (either through outright purchase or lease for a period of twenty-eight (28) years) in the name of SGEL, free from all encumbrances or adverse claims and from any restriction, legal or otherwise, that may impair its intended use for the Solar Power Project, and carrying out all necessary development of such land; securing the Right of Way for the Power Evacuation System in the name of SGEL, valid and enforceable for the entire lifecycle of the Project; detailed design and engineering, procurement of equipment and materials, testing at manufacturers' works, packing, forwarding, transportation, supply, receipt and unloading at site, storage, and comprehensive insurance of all plant, equipment and materials at every stage (including transit, storage, construction and throughout the O&M period), execution of all associated civil, structural, mechanical, electrical and auxiliary works, obtaining of all necessary permits, approvals and licences, installation, erection, testing, commissioning, performance demonstration and operational acceptance, so as to deliver the awarded capacity of Grid-Interactive Solar PV Power Plant(s), including the complete Power Evacuation System, on a turnkey basis, together with comprehensive Operation and Maintenance (O&M) of the Solar PV Project, including the complete Power Evacuation System, for a period of three (3) years from the date of Commercial Operation Declaration (COD) of entire plant..

The Scope of the Contractor shall further be deemed to include the supply of all equipment, materials, works and services which, though not expressly mentioned in the Bid Documents, are necessary for the successful completion, reliable performance and satisfactory operation of the Solar PV Project(s) and their integration with the grid in accordance with the Technical Specifications.

For Project-2 and Project-3, the Solar Photovoltaic (PV) Modules are already stored by SGEL at the designated location(s) specified in the Technical Specifications Document and shall be issued and handed over free of cost to the Contractor at such location(s). Upon such handover, the Contractor shall assume full responsibility and risk for the said Solar PV Modules, including but not limited to their inspection at the designated storage location(s), loading, transportation from the designated storage location(s) to the respective Project site(s), unloading, storage, handling, erection, installation, and integration into the Works, as well as the provision of comprehensive insurance coverage (including transit, storage, construction, and O&M insurance).

For the avoidance of doubt, the EPC scope of work for Project-2 and Project-3 shall be of the same nature and extent as that for Project-1, except for the procurement and supply of Solar PV Modules up to the designated storage location(s), which shall rest with SGEL.

The detailed scope of supply and services is further prescribed in *Section IV: Technical Specifications* of this Bid Document.

1.6 PROCEDURE/REQUIREMENTS FOR E-TENDERING

1.6.1 Bidders are required to get registered themselves with M/s ISN Electronic Tender Services (ETS) website <https://www.bharat-electronictender.com> (if not already registered). After registration with ETS and payment of the cost of bidding documents as per clause 1.2 above, Bidding Documents may be downloaded from ETS Portal i.e. <https://www.bharat-electronictender.com>.

1.6.2 Bidders shall be required to arrange all resources, including Digital Signature and Internet Connections at their own cost, for participating in online tenders/ bids at the portal.

1.6.3 All the bidders are requested to get themselves registered well in advance and no extra time will be considered for the delay in on-line Vendor Registration, if any. In case bidder waits till the last moment for uploading bids, and if any technical problem is encountered at that time and the bid closing time elapses, SGEL shall not be responsible in any manner for such delay/ or any other reason thereof.

1.6.4 E-Reverse Auction:-

SGEL may also opt for e-Reverse Auction subsequent to opening of Price Bids. The intimation of the same shall be given to the eligible bidders in advance. The procedure for e-Reverse Auction shall be as specified in clause 2.22.3 of ITB of this bid document.

1.7 Assistance/clarification regarding e-Tendering Process

For any assistance/clarification for registration, downloading of document, submission of Bids and any other information regarding e-Tendering, Bidders may contact to M/s ISN Electronic Tender Services (ETS) (Service Provider) having the following contact details:

Contact Person: E-RA Support Team

Customer Support: +91-124-4229071, 4229072

Email: support@isn-ets.com

1.8 EARNEST MONEY DEPOSIT (EMD)

1.8.1 The Bidder shall furnish, as part of its bid, an Earnest Money Deposit (EMD)/Bid Security as specified in clause 2.8 of bid document. The bid security shall be in the amount stipulated in clause 1.2 above. The bid security must be submitted in the form provided at **Annexure-9A or Annexure- 9B** in the bidding documents.

1.8.2 Any bid not accompanied by an acceptable EMD of requisite value and validity in accordance with Clause No 2.11 shall be rejected by SGEL as being non-responsive and returned to Bidders without being opened.

1.8.3 Being a tender for works contract, this tender is excluded from the purview of Public Procurement Policy for MSEs Order, 2012.

1.9 All the Bidders shall enter into an Integrity Pact (to be executed on plain paper) with the Employer at the time of submission of Bids. Successful Bidder shall submit duly executed Integrity Pact on Non-Judicial Stamp Paper of appropriate value prior to signing of Contract Agreement.

1.10 Bidders are required to submit their bids as per the date and time indicated under Clause No. 1.2.

1.11 SELECTION OF CONTRACTOR FOR PROJECT

Parties intending to participate in this e-tender and meeting the eligibility criteria specified in Clause 1.3 of this Bid Document shall submit their Techno-Commercial Bid and Price Bid (collectively referred to as the “Offer” or the “Bid”) in accordance with the procedures, terms, and conditions stipulated herein. SGEL shall evaluate the Offers in accordance with the provisions of this Bid Document and, upon completion of the evaluation process including the e-Reverse Auction (e-RA) conducted as per the procedure specified in this Bid Document, will declare as the Successful Bidder for each Project the Bidder whose Bid has been determined to be substantially responsive to the Bid Documents, meets the specified qualifying requirements, and corresponds to the Lowest Evaluated Bid Value (EBV) for that respective Project.

- 1.12** SGEL reserves the right to reject any or all bids or cancel/withdraw the Notice Inviting Tender (NIT) and annul the process at any time prior to the issuance of Letter of Award to the Successful Bidder(s) without assigning any reason whatsoever and shall bear no liability whatsoever consequent upon such a decision.
- 1.13** Bidders are requested to keep themselves updated with the websites <https://www.bharat-electronictender.com>, www.sjvn.nic.in and eprocure.gov.in/cppp on regular basis for any addition / deletion / modification / clarification or notification in respect of this NIT. No separate notification or information will be issued in any other media.
- 1.14** The Request for Selection (RfS) documents issued by Punjab State Power Corporation Limited (PSPCL) vide RfS No. 34/PSPCL/IPC/SOLAR/1000MW/2022/ET-4 dated 19.04.2022 and RfS No. 28/PSPCL/IPC/SOLAR/250MW/2021/ET-2 dated 18.05.2021, including all enclosures, annexures, and subsequent amendments, addenda, or clarifications issued thereto, are enclosed as Section–VI of this Bid Document.
