A- INTRODUCTION:

Central Electronics Limited (CEL) is a Mini Ratna, government of India enterprises under the DSIR (Deptt. of Scientific & Industrial Research) of “Ministry of Science & Technology”, Govt. of India. CEL is a pioneer in the country in the field of Solar Energy and has developed state of the art production technology indigenously with own R & D efforts. CEL has contributed significantly towards “National Solar Electrification Programme” for last 48 years. CEL is also a regular exporter of solar products to European, African and Asian countries. Central Electronics Limited, Sahibabad is interested to promote, expand and implement timely execution of the business in the field of Solar Photovoltaic (SPV) Systems (e.g. SPV Power Plant, HLS, SLS, Solar Water Pumps, etc.) by engaging experienced EPC Contractors.

B- EXPRESSION OF INTEREST

Expression of Interest (EOI) is invited from the financially & technically capable parties having relevant experience as EPC contractor for carrying out the work related to Engineering, Procurement & Construction (EPC) activities for the purpose of empanelment of selected EPC Contractors for awarding the work related to “Solar Photovoltaic (SPV) System” (e.g. Solar PV Power Plant, Solar Home Lighting System, Solar Street Lighting System, Solar Water Pumping Systems etc.) for timely execution of those projects awarded to CEL according to the scope of work and terms of this EOI. The bidder shall be empaneled in 3 categories A, B & C based on the criteria given in Table 1 --

Table 1: Eligibility Criteria of Turnover and Solar EPC Experience in last 3 years (FY 2022-23, 2023-24 and 2024-25)

Bidder Category	Turnover	Total Min. Solar EPC Experience/SITC* of Solar Photovoltaic (SPV) Systems
A	Average Turnover greater or equal to Rs. 100 Cr.	More than 10 MWp in SPV Power Plants or > 5 MWp in SPV Power Plant and > 5 MWp in Solar SLS, Solar HLS, Solar WPS etc.
B	Average Turnover greater or equal to Rs. 50 Cr and less than Rs. 100 Cr.	More than 5 MWp in SPV Power Plants or > 2.5 MWp in SPV Power Plant and > 2.5 MWp in Solar SLS, Solar HLS, Solar WPS, etc.
C	Average Turnover greater or equal to Rs. 5 Cr and less than Rs. 50 Cr.	1 MWp in SPV Power Plants or > 500 KW in SPV Power Plant and > 500 KW in Solar SLS, Solar HLS, Solar WPS, etc.

*Supply, Installation, Testing and Commissioning. SLS – Street Lighting system, HLS – Home Lighting Systems, WPS- Water pumping system.

Note:

1. The parties should provide the ITR, audited Balance Sheet and Profit & Loss Account (duly attested by CA) for last 3 financial years (FY 2022-23, 2023-24 and 2024-25). In case audited balance sheet of FY 2024-25 is not

available, then the provisional balance sheet of FY 2024-25 duly signed by Chartered Accountant may be submitted.

2. The parties should provide details of their experience of Solar EPC Contractor (for works such as design, engineering, supply, installation, testing and commissioning of Solar PV systems) for last three financial years along with copies of purchase orders (POs) and their completion certificates only from any Govt. Department/Govt. Institutions/PSU/Private companies/Educational Institutions as per Table 2:

Table 2: Solar EPC Experience Summary

S. No	Financial Year	Solar EPC Experience						
		Power Plant	Home Lighting (1)	Street Lighting (2)	Lantern (3)	Solar WPS (4)	Other Solar Systems (5)	Total (1 to 5)

	2023	b. Off Grid kWp: Rs.	Rs.	Rs.	Rs.	Rs.		
2.	2023	a. On Grid kWp: Rs.	Nos. kWp	Nos. kWp	Nos. kWp	Nos. kWp		
	2024	b. Off Grid kWp: Rs.	Rs.	Rs.	Rs.	Rs.		
3.	2024	a. On Grid kWp: Rs.	Nos. kWp	Nos. kWp	Nos. kWp	Nos. kWp		
	2025	b. Off Grid kWp: Rs.	Rs.	Rs.	Rs.	Rs.		

Separate Annexures must be filled for the followings:

- (i) Govt. sector, Central, State Govt. Departments, Govt. Institutions, PSU.
- (ii) Others i.e. Private companies and Educational Institutions.

The Work/Purchase Order (PO) no. & date, capacity, details of work and date of completion/commissioning should be mentioned on the Completion Certificates for proper linkage with the PO. Both PO and its respective completion certificates are required to be submitted.

3. Based on the criteria outlined in Table 1 and supported by the requisite documentation, applicants shall be classified into Categories A, B, or C. The final category assigned to each empanelled EPC contractor will correspond to the lower category achieved under the turnover criteria or solar EPC experience criteria.

For example, if an applicant qualifies for Category 'B' based on turnover and

EOI No. C-2(b)/EOI/704/0388/2025

Category 'A' based on solar EPC experience, the final empanelment category will be Category 'B'

4. For participating in EOI, vendor has to submit non-refundable processing fees of Rs.59,000/- (Rs.50,000/- plus GST @ 18% = Rs.9,000/-).
5. SD will be required to be submitted on case-to-case basis after floating of tender for award of contract.
6. The validity of empanelment will be initially for 1 year and can be renewed based on performance of vendors & other eligibility criteria. The decision of CEL will be final and binding in this regard.
7. Account details for submitting processing fees through NEFT/RTGS are given below:
Beneficiary Name: Central Electronics Limited
Beneficiary Account Number/IBAN: 87761250000014
Beneficiary Bank MICR Code: 110015643
Beneficiary Bank IFSC Code: CNRB0006999
Beneficiary Bank Name: Canara Bank
Beneficiary Bank Address: Ground Floor 16 DCM Building, Barakhamba Road, Delhi-110001
8. Limited tenders would be subsequently issued from the empaneled EPC Contractors (as on the date of floating of the Tender) for EPC work, as per requirements, as & when they arise and order (s) would be awarded to the lowest quoting bidders. The scope, terms and conditions of the work/purchase orders will be based on the scope, terms and conditions of the tenders. However, CEL reserves the right to float an open tender also, if required.
9. If an eligible empaneled EPC contractor does not participate in two consecutive limited tenders floated by CEL, then their empanelment may be cancelled.
10. The empanelled EPC Contractors is eligible to bid in limited tenders either of their empanelled category or lower categories. Illustration for the same is given below:

Illustration: If the applicant is empanelled under Category 'B'. The applicant empanelled under Category 'B' can bid for tenders floated under Category 'B' and Category 'C'. Likewise if the applicant is empanelled under Category 'A'. The applicant empanelled under Category 'A' can bid for tenders floated under Category 'A', Category 'B' and Category 'C'
11. The maximum value of a single purchase order issued to the empaneled EPC contractor by CEL will not exceed three times the bidder's average turnover in the last three financial years. However, there is no restriction on the maximum value of cumulative purchase orders within a year.
12. The EPC Contractor may apply for category upgradation/continuation of empanelment by submitting written application along with the required

documents of updated turnover, EPC experience etc.

13. If EPC contractor fails to execute the works in full or part as per the terms and conditions of the tender or in case of any delay in execution of the order beyond the stipulated time schedule including any extension permitted in writing or there is any short-fall in performance without any force majeure then their empanelment may be cancelled and other actions may be taken as per tender terms & conditions.

C- SCOPE OF WORK:

The scope of work is mainly related to Engineering Procurement & Construction (EPC) activities (such as design, engineering, supply, installation, testing and commissioning) in Solar Photovoltaic Power Projects completely or partly as per requirement of the project. The scope of work mainly covers the following activities—

1. Site Survey
2. Specification/Engineering drawing of all input material shall be prepared by the party and shall be submitted to CEL for approval. Staad-Pro Analysis shall be done for all structural drawings and the drawings shall be certified by Chartered Engineer.
3. To prepare & submit Bill of Material to CEL for approval before supply of material at site as per the requirement meeting international quality standards/MNRE's guidelines.
4. To arrange pre-dispatch inspection by CEL officials as & when required.
5. To deliver the material at sites & to arrange for safe storage at the site.
6. To co-ordinate with customer for verification of supply of equipment and early realization of the related payment from Government agencies and customer.
7. To ensure satisfactory performance of the systems during warranty period as well as during the maintenance period.
8. To update CEL regarding performance of the installed systems and submit report in this respect as & when required by CEL and also at the end of warranty period specified in the tender document.
9. Materials, wherever supplied, shall be of latest quality. Workmanship shall be neat & clean without any blemish.
10. Ensuring the satisfactory performance of the items / works carried out for the warranty period. EPC vendor shall submit QMR during warranty / AMC period. In case of any defect the party shall immediately replace/repair the part at their own cost for smooth operation of the plant.
11. The party shall get all the utilities required to complete the work directly

or through the customer. No payment on this account shall be paid by CEL.

12. CEL's liability towards the maintenance of the system shall be covered by the party for the warranty period.
13. Conducting training program for users during installation & commissioning and during warranty period too.
14. The party shall ensure the insurance of material & system at site at their own cost.

D- PRE-QUALIFICATION CRITERIA

- 1.0 The parties must have required turnover with minimum Solar EPC Experience in last 3 years (FY 2022-23, 2023-24 and 2024-25) as mentioned in Table 1 and satisfactory discharge of AMC obligation of at least one year.
- 2.0 The parties shall be categorized by CEL on the basis of their turnover and experience as mentioned in Table 1.
- 3.0 The party must be capable of taking up Design, Engineering, Supply, Installation, Testing and Commissioning with operation & maintenance of the system.
- 4.0 The party must have technically experienced & sufficient manpower for successful & timely execution of the entire solar power plants of various capacities including on turnkey basis in different locations of the country & abroad.
- 5.0 The party must have valid ISO: 9001:2015 certification.
- 6.0 In case of consortium, the parties shall collectively meet the complete criteria/requirement of EOI. Parties shall necessarily identify and submit their consent of the lead partner in their consortium agreement. The consortium agreement is to be submitted as per the format attached as Annexure-C.
